Another, Karanganyar manages young and sport destinations for foreign or domestic tourist. Including tourist foreign from England, Holand, Netherland, France, Thailand, Singapore, Chinesse etc.

Department social and Culture, Youth and Sport manages tourism object in Karanganyar, There are strategies by official employee. The effort is every the office room including *pengembangan wisata* room is for manage is tourism object, *secretariat* room is for receiving guest, *destination* room is for receiving tourist and *young & sport* room is young and sport. The leaders from some rooms include from *Pengembangan Wisata* Rudra Wuryaningtyas, *Secretariat* room is Sutarno, *Destination* room is Wahyu Satriyo and *Young & Sport* is Lisa. From the activities by *Department social and Culture, Youth and Sport* government and society of Karanganyar, there are effort and support. Include university student who volunteer in the office to add skill, knowledge and attitude. Now, many the candidates follow activities like tourism ambassador on general or tour guide of karanganyar. These activities constant from years of years to “Karanganyar Maju dan Sejahtera”.

Event routine from *Department social and Culture, Youth and Sport* is very important to all people in karanganyar. There are regulations to routine events every year like tourism ambassador or Paskibraka Karanganyar. Tourism ambassador is the event that the writer did last year, year and next year, the writer get skill, knowledge and attitude to “Karanganyar Maju dan Sejahtera”. The writer know if Karanganyar has tourism objects where are well and goods in Indonesia even in the world like in Tawangmangu. There are Grojogan Sewu Waterfall, Suku Temple in Jenawi and Cetho Temple in Ngargoyoso that have many tourist foreign.

CONCLUSION

The data from this final assignment result that all tourism objects in Karanganyar are managed by *Department social and Culture, Youth and Sport* Karanganyar. We must

know the activity and routine events in *Dinas Pariwisata, Pemuda, dan Olahraga* Karanganyar. As well as society the writer must know importance activity and event-routine where there in *Department social and Culture, Youth and Sport* so that society can knowledge and concept.

The benefits of the study for students is that they can obtain knowledge from result through which is presented and through a new experience. For Government, it can support *Department social and Culture, Youth and Sport* Karanganyar with good regulation. The government has given regulation likes give infrastructure tourism object in Karanganyar not only *Department social and Culture, Youth and Sport* but just to society. For Society, they can socialize and interact *Department social and Culture, Youth and Sport* Karanganyar about the events and which were presented. So the all tourism object in Karanganyar must increase more. For that, it needs times and support from government and all society in Karanganyar.

For increase tourism object in Karanganyar needed support from all party start from government and society. Government should give facilities in tourism object in Karanganyar. Given facilities including is free go tourism object to students, give service well to customer, place where clean and comfortable etc. If there tourism object where has damage the government must repair.

Society must give full support to the government. The government must give infrastructure and facilities to society. Karanganyar has Formaka (Forum Mahasiswa) Karanganyar, Tourism Ambassador and HPI (Himpunan Pramuwisata Karanganyar). Formaka is the students forum in Karanganyar use to be smart and always active in Karanganyar. Tourism Ambassador is activity to general use to search skill and increase tourism object in Karanganyar and HPI or tour guide in Karanganyar to guide guest in tourism object Karanganyar. Those forums and associations influent development in this Karanganyar and just how to be Karanganyar as well as the great of Karanganyar have symbol that is "Karanganyar Tenteram".
